Chief Executive of Macao SAR, Mr Ho Iat-seng, visits Hong Kong Science Park

Key Takeaways

- Chief Executive of the Macao visits Science Park as a signal for closer cooperation to realise the GBA innovation opportunity
- The visit gave a glimpse into HKSTP's development and achievements in I&T

(Hong Kong, 26 February 2023) - The Chief Executive of the Macao Special Administrative Region (SAR), Mr Ho Iat-seng, visited Hong Kong Science Park today to learn more about the Hong Kong Science and Technology Parks Corporation (HKSTP)'s development and achievements in innovation and technology (I&T). Members of the Macao SAR delegation included Secretary for Administration and Justice, Mr Cheong Weng Chon; Secretary for Economy and Finance, Mr Lei Wai Nong; and the Chief-of-Office of the Chief Executive's Office, Ms Hoi Lai Fong.

Mr Albert Wong, CEO of HKSTP, was delighted to meet with Mr Ho Iat-seng. He introduced HKSTP's work and promote the local I&T ecosystem to the delegation; further strengthening the ongoing collaboration between Hong Kong and Macao.

###

About Hong Kong Science and Technology Parks Corporation

Hong Kong Science and Technology Parks Corporation (HKSTP) has for over 20 years committed to building up Hong Kong as an international innovation and technology hub to propel success for local and global pioneers today and tomorrow. HKSTP has established a thriving I&T ecosystem that is home to three unicorns and Hong Kong's leading R&D hub with over 12,000 research professionals and over 1,200 technology companies focused on healthtech, AI and robotics, fintech and smart city technologies.

Established in 2001, we attract and nurture talent, accelerate and commercialise innovation and technology for entrepreneurs on their journey of growth in Hong Kong, to the Greater Bay Area, Asia and beyond. Our growing innovation ecosystem is built around our key locations of Hong Kong Science Park in Shatin, InnoCentre in Kowloon Tong and three modern INNOPARKs in Tai Po, Tseung Kwan O and Yuen Long. The three INNOPARKs are realising a vision of re-industrialisation for Hong Kong. The

goal is sectors like advanced manufacturing, electronics and biotechnology are being reimagined for a new generation of industry.

Through our infrastructure, services, expertise and network of partnerships, HKSTP will help establish innovation and technology as a pillar of growth for Hong Kong, while reinforcing Hong Kong's international I&T hub status as a launchpad for global growth at the heart of the GBA innovation powerhouse.

More information about HKSTP is available at www.hkstp.org.
