### **Playful Dinosaurs on the Loose! Young Adventurers, Prepare for a Dino-themed Easter! A Whimsical “Easter Scien-Rassic Maze” Comes to Hong Kong Science Park**

(Hong Kong, 16 April 2025) — Who says dinosaur footprints are confined to Port Island? This Easter, prepare for prehistoric fun as dinosaurs make a roaring entrance at Hong Kong Science Park in Pak Shek Kok—the city’s hub of innovation! The Hong Kong Science and Technology Parks Corporation (HKSTP) has thoughtfully curated an engaging series of Easter activities. Whether you’re enjoying a family day out, a gathering with friends or a leisurely holiday with your pets, Hong Kong Science Park promises something for everyone.

#### **A Colossal 5-Metre-Tall “Giant Gacha Machine”**

At the heart of the festivities lies the “Easter Scien-Rassic Maze” — a thrilling 20-metre-diameter installation that whisks everyone away to an era ruled by dinosaurs. This adventure maze features four interactive games: “Dino-egg Hunting”, “Throw & Catch”, “Shoot to FEED” and “TWIST Scien-rassic”. These cleverly designed challenges will test the wits and skills of budding explorers. The 5-metre-tall Giant Gacha Machine, brimmed with vibrant Easter eggs and guarded by an adorable dinosaur, is a great place for families to spend their Easter holidays!

In addition to the dynamic games, everyone can enjoy Easter-exclusive dinosaur “Photo Shooting Checkpoints” scattered throughout the venue — perfect for capturing joyful memories with family and friends, both young and old.

Pet lovers are warmly invited to the specially designed “Cute Pet Play Zone”, where furry companions can join the fun. It’s a delightful opportunity to create heartwarming Easter moments alongside your beloved pets.

No Easter celebration is complete without indulgence. At the “Easter Market”, all can browse an enticing range of handmade goods and delicious treats and enjoy a relaxed shopping experience. What’s more, various restaurants within Hong Kong Science Park are offering special dining promotions. To unlock a variety of e-Coupons for exclusive dining offers, simply download the “HKSTP App”—and get ready to be pleasantly surprised!

So gather your friends, round up the family and bring your furry friends along for a wonderful Easter holiday at Hong Kong Science Park—where a Scien-Rassic adventure awaits!

**About Hong Kong Science and Technology Parks Corporation**

Hong Kong Science and Technology Parks Corporation (HKSTP) was established in 2001 to create a thriving I&T ecosystem grooming 14 unicorns, more than 15,000 research professionals and over 2,200 technology companies from 26 countries and regions focused on developing healthtech, AI and robotics, fintech and smart city technologies, etc.

Our growing innovation ecosystem offers comprehensive support to attract and nurture talent, accelerate and commercialise innovation for technology ventures, with the I&T journey built around our key locations of Hong Kong Science Park in Pak Shek Kok, InnoCentre in Kowloon Tong and three modern InnoParks in Tai Po, Tseung Kwan O and Yuen Long realising a vision of new industrialisation for Hong Kong, where sectors including advanced manufacturing, micro-electronics and biotechnology are being reimaged.

Hong Kong Science Park Shenzhen Branch in Futian, Shenzhen plays positive roles in connecting the world and the mainland with our proximity, strengthening cross-border exchange to bring advantages in attracting global talent and allowing possibilities for the development of technology companies in seven key areas: Medtech, big data and AI, robotics, new materials, microelectronics, fintech and sustainability, with both dry and wet laboratories, co-working space, conference and exhibition facilities, and more.

Through our R&D infrastructure, startup support and enterprise services, commercialisation and investment expertise, partnership networks and talent traction, HKSTP continues contribute in establishing I&T as a pillar of growth for Hong Kong.
