

Mentorship Programme

Accelerating Startup Success through Tailored Advice and Strategic Connections

Welcome to the HKSTP Mentorship Programme, where experience meets innovation. Our programme connects seasoned industry professionals with promising startups, facilitating knowledge exchange and growth.

At HKSTP, we recognize the unique challenges startups face. By joining our mentor pool, you can share your expertise and guide the next generation of entrepreneurs toward success.

Our programme fosters meaningful interactions between mentors and startups, creating an environment where valuable advice and support can thrive.

Why Become an HKSTP Mentor

Inspire and guide emerging startups, sharing your expertise to shape the next wave of entrepreneurial success within the vibrant HKSTP startup ecosystem.

Who We Serve

Startup companies in HKSTP Ideation, Incubation, Incu-Bio & Acceleration Programmes

Who Can Serve as a Mentor

- ▶ Passionate about contributing to Hong Kong's I&T sector
- ▶ Eager to share expertise and industry insights with emerging innovators
- ▶ Ready to provide access to a network of seasoned entrepreneurs and professionals

How We Serve

1 Matching

▶ People Hub

A mentor-mentee matching platform provides comprehensive profiles of HKSTP mentors and programme startups, highlighting their expertise and needs

▶ Matching Events

A successful networking session where mentors and startups are connected for valuable interactions and matching

2 Mentoring

▶ Mentor Sharing

Insightful sessions featuring mentors sharing tips and experiences with startup founders

▶ Mentor Clinic

A 1-on-1 dedicated clinic session for startups seeking advice

3 Coaching

▶ Startup Upskill Programme

A 3-month startup coaching programme focusing on pitching, go-to-market strategies, fundraising and team-scaling

4 Solutioning

▶ Incentive services

Scope-based domain expert services, Entrepreneur-in-residence services and advisory board
