Get ready to spread your wings and experience an accelerated journey towards global expansion with our game-changing Acceleration Programme. Tailored for high-potential startups across all industries, this growth-stage business acceleration programme has proven its worth.

▶▶ **Funding:** *up to US\$615k*

5

Elite

The Elite Programme is here to empower you to reach new heights of innovation, expansion, and unparalleled achievements. Your time to shine as the next unicorn is now!

▶▶ **Funding:** *up to US\$2.75m*

6

Strategic Enterprise

Exclusive Opportunity for Technology Giants to tap into one of the fastest growing I&T ecosystems in Asia.

HKSTP Programmes

7 *China Expansion & East/West Globalization*

Uniting the vibrant innovation ecosystems of Hong Kong and neighbouring cities, fostering cross-border collaborations and propelling regional economic growth.

Embracing the dynamic fusion of Eastern and Western cultures, fostering global partnerships, and facilitating the exchange of knowledge and ideas to fuel innovation on a global scale.

8 *Co-Incubation & Partnership*

Forge strategic alliances with industry leaders, academia, and government bodies, fostering a synergistic ecosystem that propels innovation, drives economic prosperity, and creates transformative solutions for the future.

A collaboration platform where innovation minds converge, providing a nurturing environment for startups and entrepreneurs to thrive and network with industry key players.
