components

Spawn the best experience

# HONG KONG SCIENCE AND TECHNOLOGY PARKS CORPORATION

HKSTP never ceases to innovate. We focus on developing advanced technology and entrepreneurial spirit to drive global I&T talents to achieve more, building Hong Kong as a world-class I&T centre.

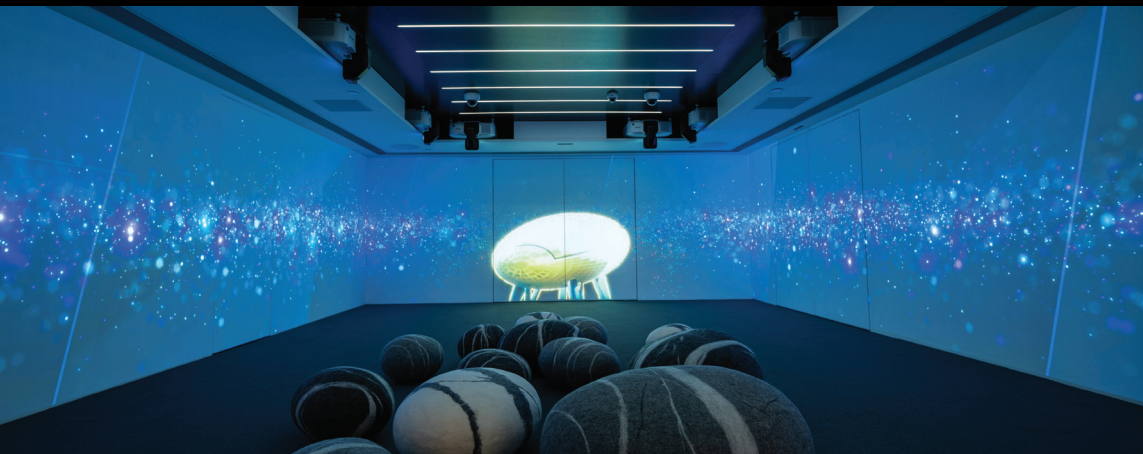

We strive to cultivate a diverse talent pool, connect research to innofacturing through reindustrialisation, and create a well-established I&T ecosystem that bridges innovators with high-potential partners and investors for ideas to grow and thrive.

HKSTP Experience Centre promotes the unique I&T spirit of HKSTP in Hong Kong, demonstrating the newest collective I&T breakthroughs. Here the young creative generations start out their journey to embrace their boundless future.

# ENCOUNTER - OPPORTUNITIES

Along the progress of HKSTP over the years, the glorious achievements continue to paint a vital prospect of the I&T industry in Hong Kong, where innovations are meant for fruition.

## Immersive Visual Experience

### 1 IMMERSIVE ROOM

The stories are unfolded on the colossal 270° immersive screen, portraying the vision and ambitions of HKSTP.

## Witness Accomplishments and Vision

### 2 HALL OF FAME

Amidst the dazzling light, let us walk into the bright future of every I&T dream. Every step embodies the steadfast exploration and expansion of HKSTP and our partner companies and incubatees.

# ENCOUNTER - INSPIRATIONS

The application of innovation and technology has been proliferating in our everyday life. The excellent achievement of HKSTP's partner companies and incubatees will provide you great inspirations to realise your own I&T dreams.

## AR Glasses

### 3 NEW PERSPECTIVE IN TECHNOLOGY

We strive to translate potential research topics into application solutions to benefit the public. Through augmented reality technology, we can "see" the wonders of the Institute for Translational Research, going one step ahead into frontier technology.

## Cross-Disciplinary Collaboration

### 4 WHERE ART MEETS TECHNOLOGY

Our everyday lives can be reimagined through art tech. Only through discovering the beauty within, can we drive technology towards positive development.

## Science Park Hero Products

### 5 TECHNOLOGY FOR GOOD

What are the global megatrends? The significance of nowadays social, economic, and ecological issues are challenged through the lens of I&T advancement. HKSTP's partner companies and incubatees have long been actively wielding their unique advantage to benefit the local communities and change the world positively.

## Metamorphose Through Innovation

### 6 STORIES OF I&T INNOVATORS

Communal support has always been important along the I&T process. Today, seasoned talents support the younger generations by sharing their experience. Here you can access various training programmes, and dive deeper into the I&T ecosystem.

## Robotic Arms Choreography

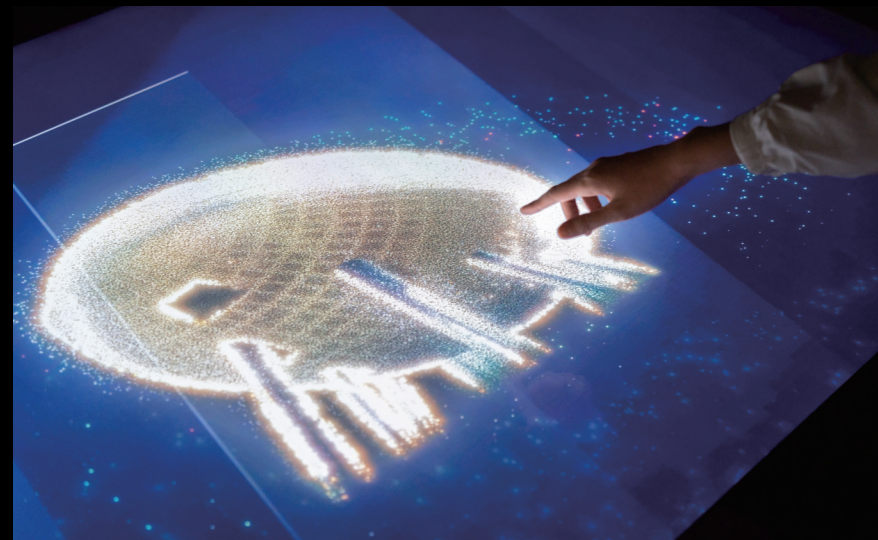

### 7 AI & ROBOTICS

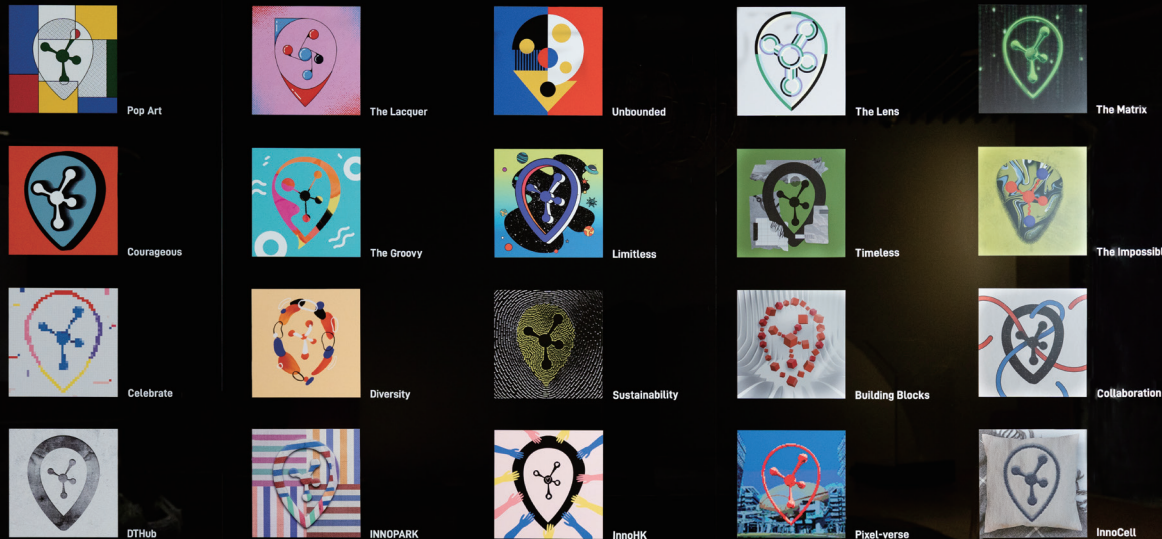

The application of AI and robotics has been omnipresent. Reindustrialisation in Hong Kong cannot be achieved without robotic automation technology. Discover how the robotic dance exemplifies the limitless possibilities of AI.

## Stories of The Technopreneurs

### 8 VISIONARY TABLE

The real stories of innovation, technology and entrepreneurial spirit will motivate you to realise your own I&T dreams.

## Diversity of I&T Spirit

### 9 HKSTP INNOVATION PINS

Every innovator has his own stories. HKSTP has been striving to instigate an innovative culture within the industry, cultivating greater vitality and diversity.

## Hub for I&T Talents

### 10 FLEXIBLE SPACE

A communal space is provided for partner companies and I&T community, allowing inspirations ideas to thrive for valuable inventions.

# ENCOUNTER - ACCOMPLISHMENTS

At the largest I&T ecosystem in Hong Kong, you can take all the liberty to realise your I&T dreams, expanding your influences to the Greater Bay Area and even around the globe. With access to solid support and professional exchange opportunities, you can pave your projects towards success.

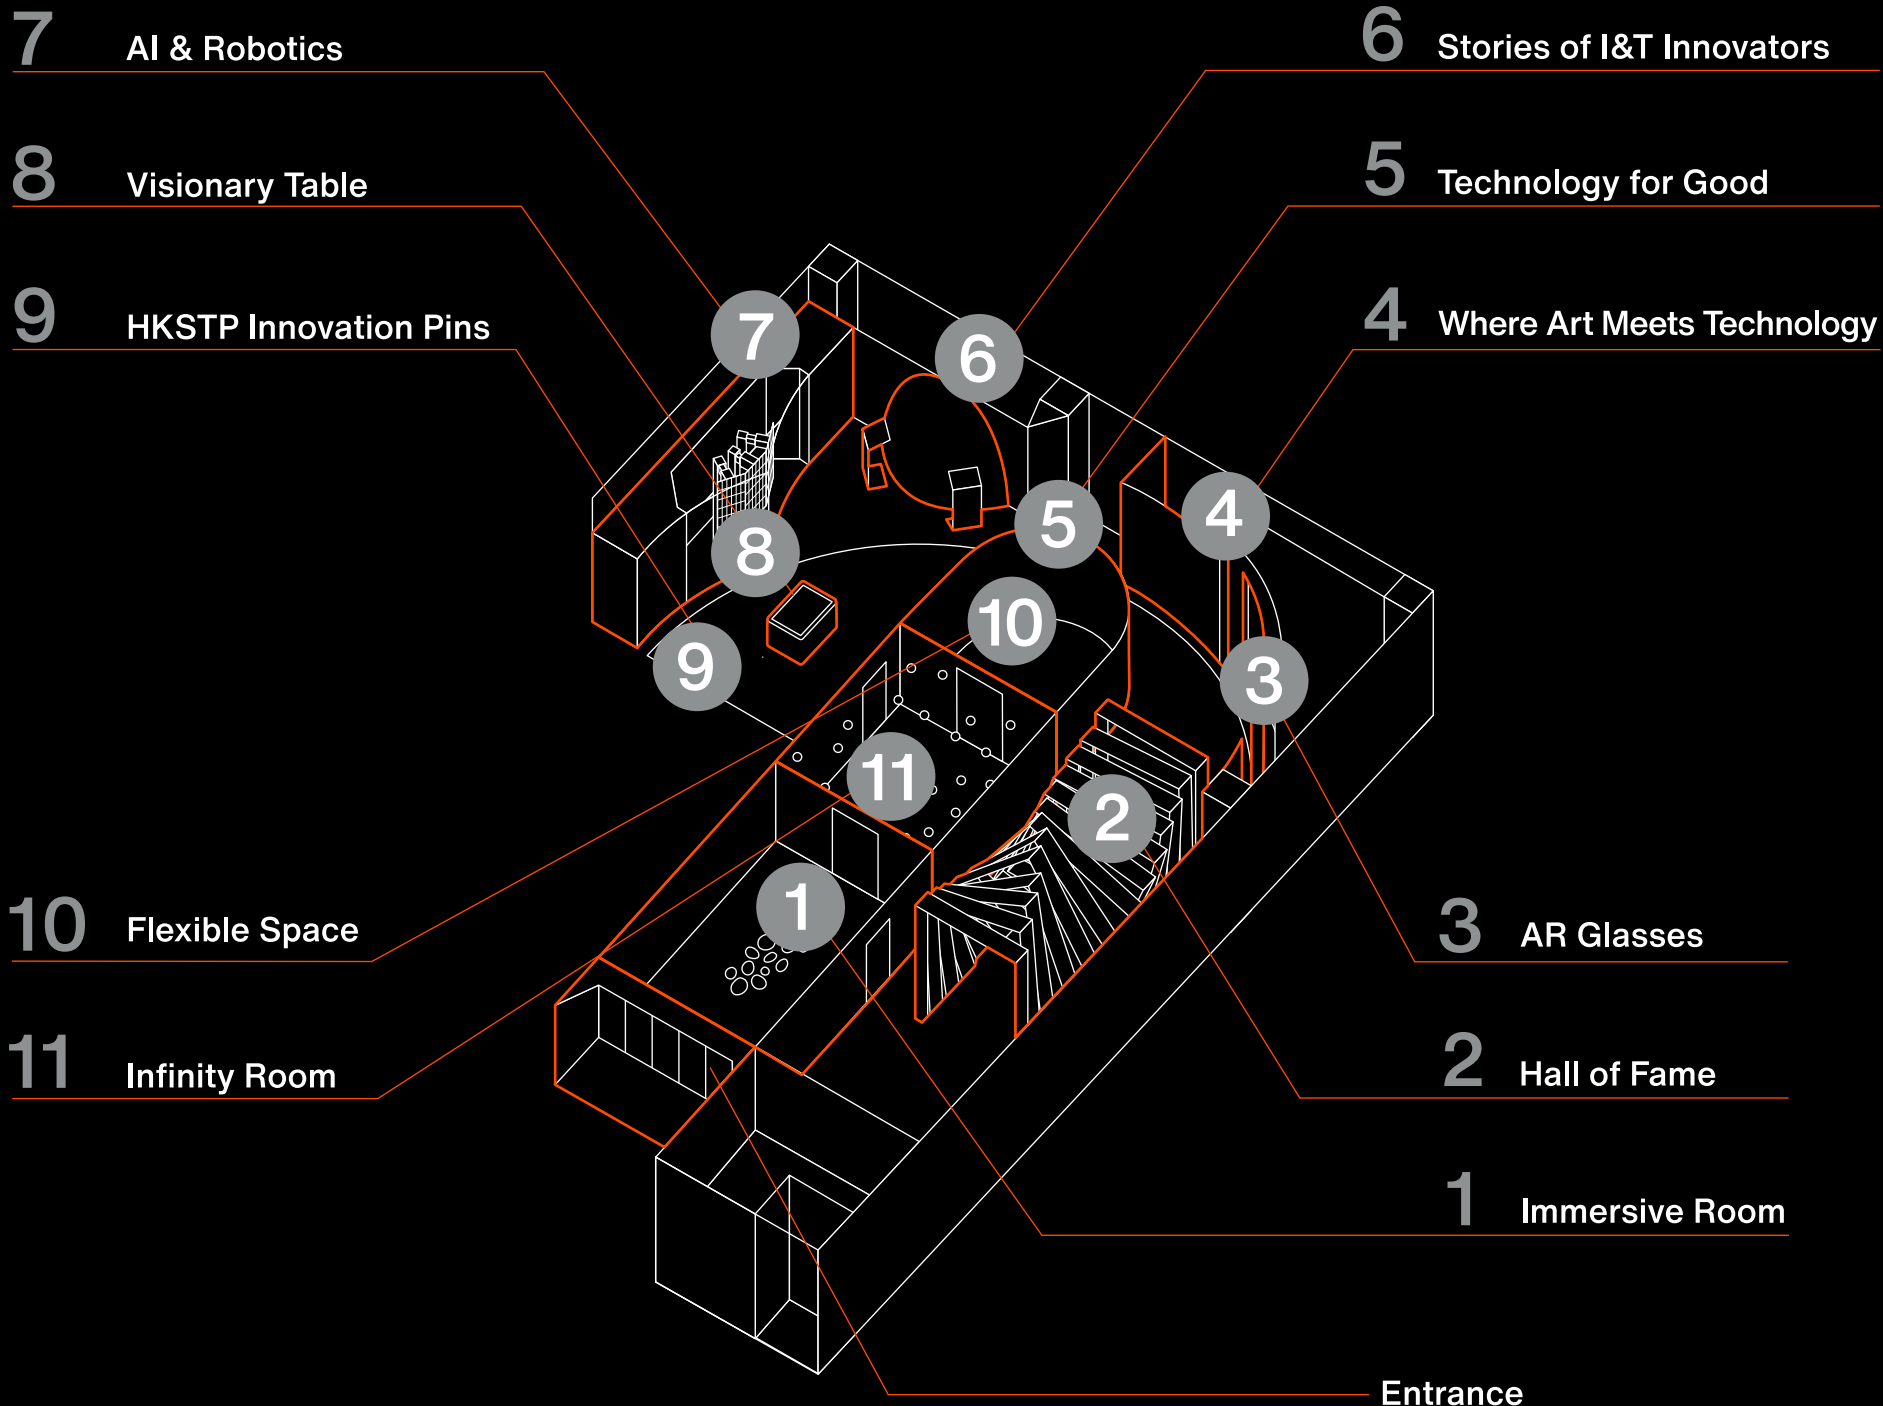

## Blaze Your I&T Future

### 11 INFINITY ROOM

Everyone can have his own I&T dreams. Let this memorable experience kindle your passion and locate your aspiration. The time has come: become a member of the Hong Kong I&T industry and embark on your new journey.

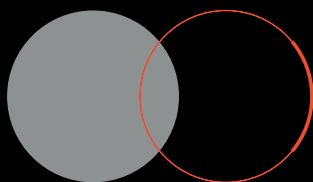

Reading all your wishes, HKSTP is here to accompany you along future journeys and help realise your dreams.
