

# Integrated Solutions Limited

## App Development Platform

- ▶ Conzoomer - an easy-to-use app development platform designed for all app interfaces and embedded many tailor-made features for mobile device
- ▶ *"The app not only helped the "Innothon" participants to get the updated event information easily, but also demonstrated the capability of Conzoomer."*

- ▶ Trial@Innothon 2014 8KM Race & Innothon 2015 10KM Race
