### mHand: for Easy Stocktaking and Inventory Management

萬信電子科技有限公司旗下的品牌 - Myndar 專門為零售行業的物聯網開發零售方案。其創新精神改革了珠寶鐘錶零售的營運模式，將技術、數據、顧客、商品和銷售點融會貫通，協助客戶實現業務增長。過去兩年萬信電子科技有限公司共贏得十多個獎項，包括香港物聯網大獎及香港工業獎——創意大獎等。在多項獲獎發明當中，mHand 更以高效和準確盤點、輕巧及符合人體工程學設計，且不受操作系統限制的優勢而獲好評。

Myndar, a brand registered under Megasoft Limited, specializes in Internet of Things (IoT) retail solutions. Their products radically changed the way luxury jewellery and watches retail businesses operate by integrating technology, data, client experience, product info and points of sales, for business growth and efficiency. In the past two years, Megasoft Limited has won over 10 awards including the Hong Kong IoT Awards and the Innovation and Creativity Grand Award at the Hong Kong Awards for Industries. Among their award-winning creations, mHand is an IoT device that enables quick and accurate stocktaking. Its lightweight ergonomic design befits any high-end store while its cross-platform software works on different operating systems.
