

MedTech Co-create (醫療科技共創平台)

Presented by HKSTP Institute for Translational Research (ITR)

Team Medical Diagnostics

Date (2023.01.09)

Version 4

WHY MEDTECH CO-CREATE?

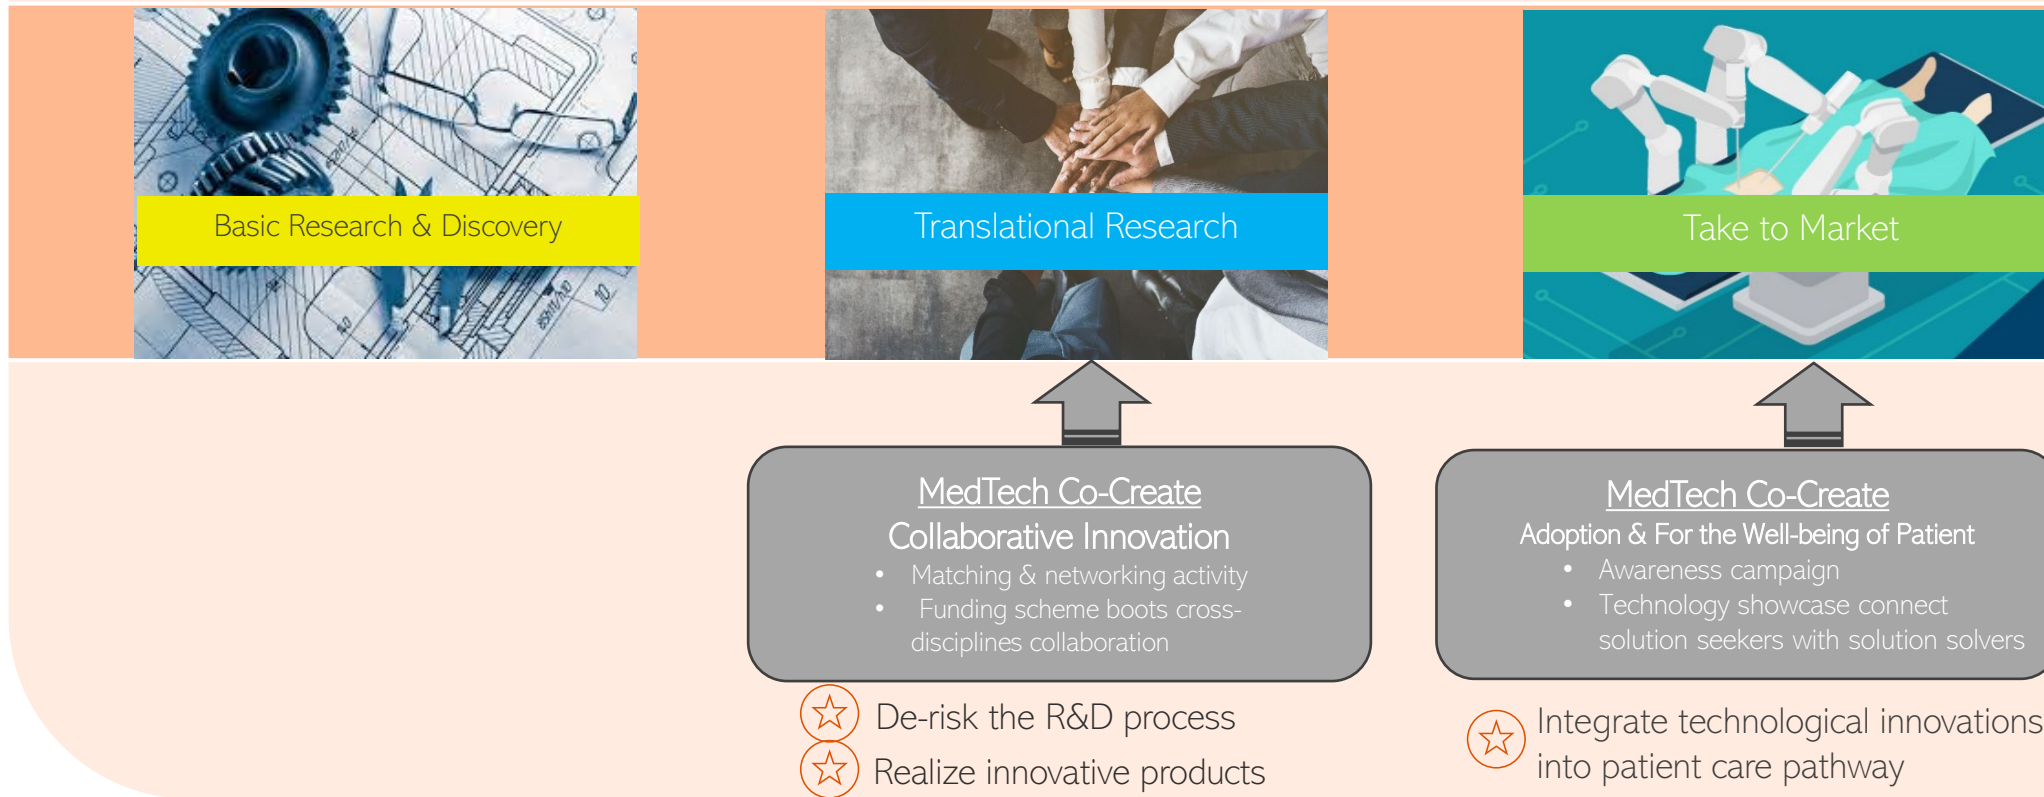

Desired Outcome:

- *collaborative* approach across multi-disciplines throughout the entire patient journey
- *optimal patient outcomes* and *save costs*

HK Science Park (Key backer for Biomed R&D success)

HKSTP Company R&D Journey

WHAT WILL *MEDTECH CO-CREATE* GIVE YOU?

Enablement

MedTech Co-create
Funding Scheme

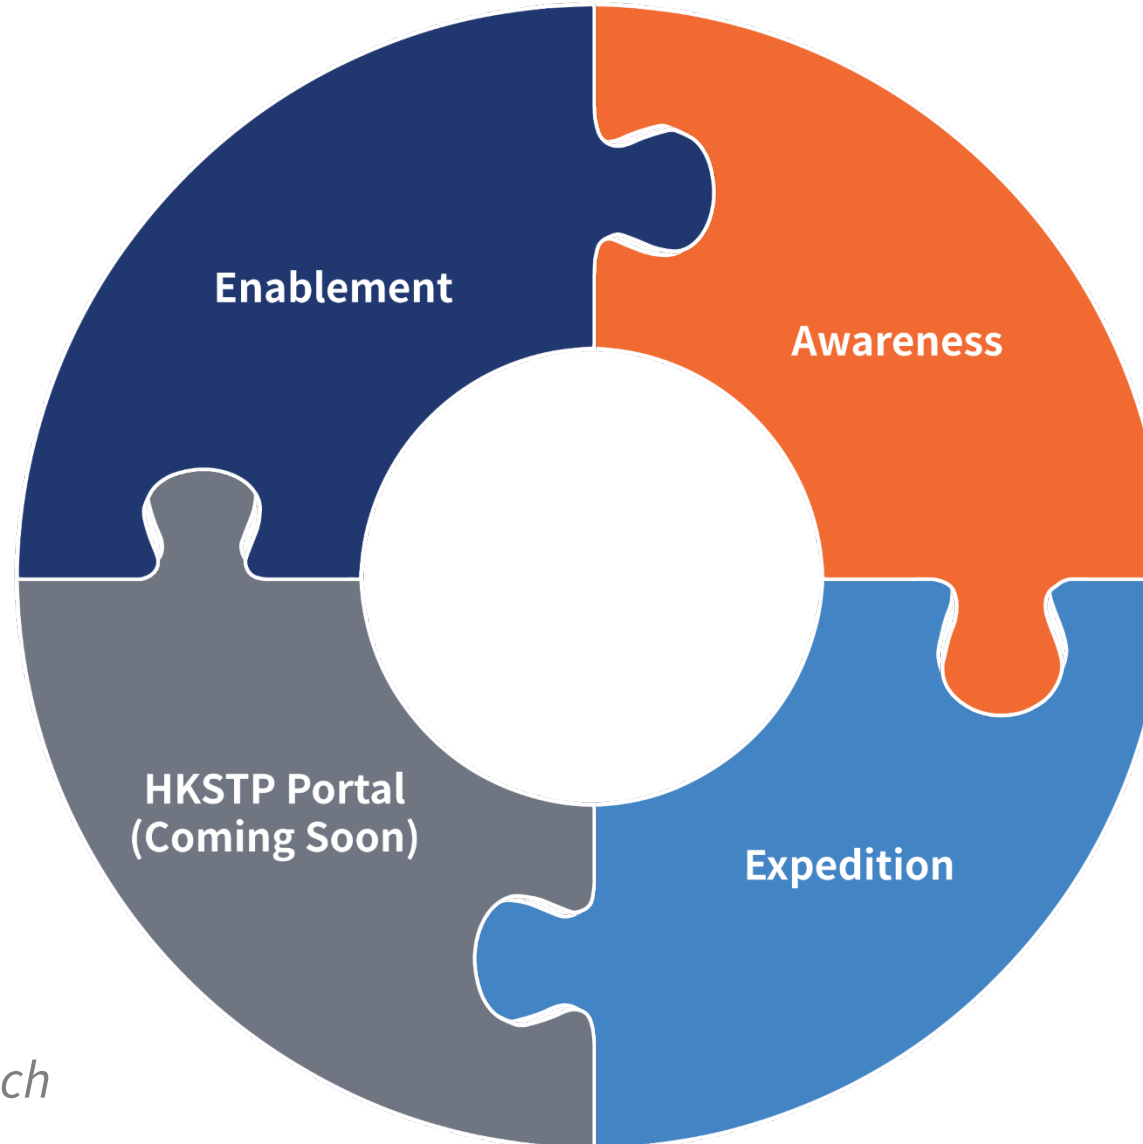

(* HKSTP tenants only)

- Up to HK\$2 million financial grant to support collaborative medtech projects

HKSTP Portal (Coming Soon)

Ecosystem gateway

- Online matchmaking platform
- Stay connected with tech seekers and providers

Awareness

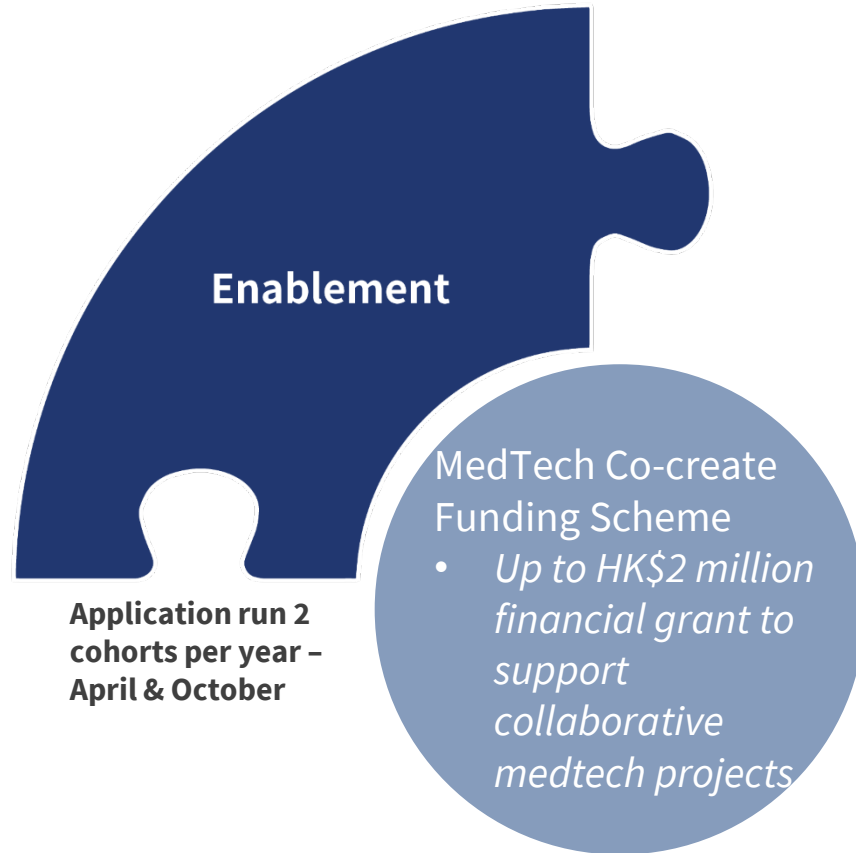

Biomed Awareness
Campaign

- Knowledge transfer
- Provide inputs to tackle challenge in precision medicine

Expedition

Technology matching & networking

- Collaboration between Park Companies
- Connecting to potential buyers

OBJECTIVE

To support *(multi-disciplinary collaboration)* ALL HKSTP Tenants across industries working in the area of MedTech R&D project *(patient centric)*

ELIGIBILITY

- BOTH Lead and Co-Applciant are tenant of HKSTP

- R&D of the Project should be conducted in a leased or licensed premises of HKSTP

COVERAGE (MAX. HK\$2M)

- R&D Operating Expenditure *e.g., manpower, laboratory consumables and reagents*
- R&D Capital Expenditure *e.g., Laboratory equipment or other instruments*
- Non-R&D Expenses *e.g., Patent legal services, Journals publication fee*

ASSESSMENT CRITERIA

Innovation & Technology

30%

Market Needs

20%

Project Outcome and Commercialisation Viability of Project Outcome

20%

Project Team Competence

15%

Milestone Plan & Budget

15%

Project Duration:
Max. 24 months
(2 years)

WHO CARRIES OUT THE ASSESSMENT PANEL?

CHAIRPERSON

Head of
Institute for Translational
Research (ITR)

1 INTERNAL
PANEL MEMBER

Domain expert of HKSTPC
Corporate Development
Division or other Division

3 EXTERNAL
PANEL MEMBERS

Domain experts selected from
the following:
Academia, Industry players, Private
equity, Capital market, Politicians and
policy maker, Regulators

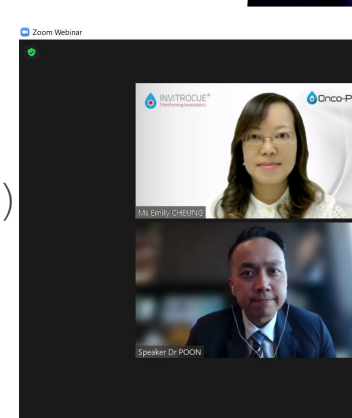

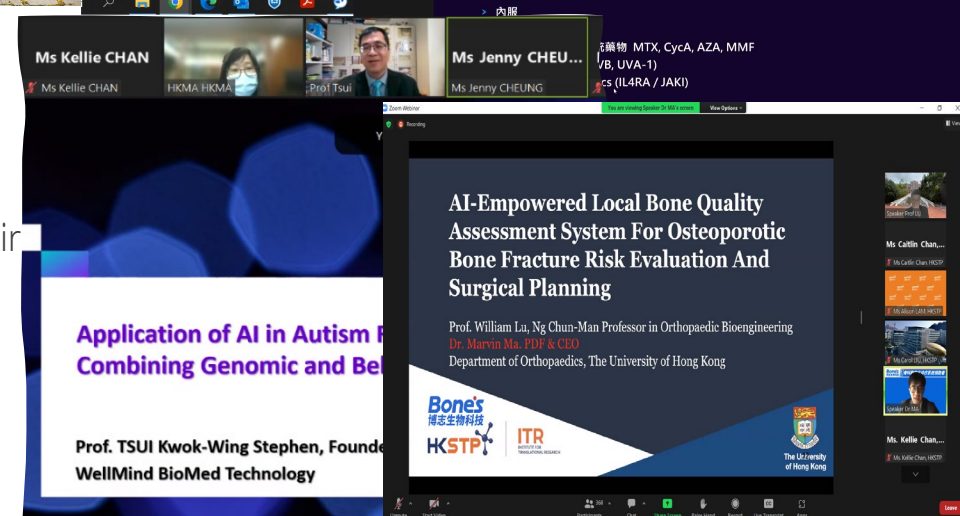

香港醫學會
